appeared in person, and was informed by the court that such an agreement is not required under applicable law and of the legal effect and consequences of such an agreement and a default under such an agreement. Title 11 U.S.C. Sec. 524(c)(6) provides that the agreement is subject to court approval unless the debt is a consumer debt secured by real property. Based upon the files and records in this case, it appears that the agreement would not impose an undue hardship on the debtor(s) or a dependant of the debtor(s), and upon request of the debtor(s), it is hereby ordered, the agreement is approved.
